19 June 2000
Black Tie

On 19th June 2000 an underground like none you've ever seen will open its turnstiles for one night only...

Go Fast.

Take the tube to London; the Subway to New York; the Metro to Paris. At every stop you will find a world of action and energy. Live acts to satisfy every musical taste. Food to indulge the greediest epicure. Cabaret to delight and amuse the surliest demeanour. And drink to quench the most profound thirst. For one night only, the World is your destination.

Go Slow.

As glamorous as you expect from a Cambridge May Ball, Underground brings you the tranquillity of the string quartet, the groove of the jazz band, and the exhilaration of the casino. Take a stroll through the picturesque gardens. Perhaps pose for a personal portrait. Or simply take a seat, savour your cocktail and canapé, and watch the world go by...

Go Underground.

Leave your railcard at home.
You only need one ticket to get on this train
